Marketing :	See how your favourite movies and games come alive on a sophisticated VAIO Display Premium screen. Scenes are ultra bright with the highest levels of colour and contrast for amazing realism. The real-wide 16:9 format gives reduced black bars so you can see more of the action, wherever you are sitting. Don't think VAIO F Series is all power and no economy. These notebooks are remarkably efficient with an ambient light sensor that adjusts screen brightness in lighter areas to conserve energy. Press the Display OFF button to instantly turn the screen off and save power – ideal when listening to music.
